<p><i>Answers: (Insert your response here)</i></p>	

**EOI CRITERIA TO BE ADDRESSED**

**1. Explain the social impact(s) in your community you intend to address, and the desired result(s) that your community is seeking. (This question is weighted 20%)**

- Give details on the social impact(s) in your community that you plan to address and the goal(s) that your community has set.
- What is the main housing matter impacting your community?
- What other social impacts are affecting your community?
- What are your ideas on how these housing and other social impacts could be better addressed through a partnership/Aboriginal led co-design approach?
- What other Government agency/ies and service providers in your local area could help with supporting the addressing of the community impacts identified?

Tell us more:

*Answer 1: (Insert your response here)*

**2. Demonstrated experience in partnering / Co-design: (This question is weighted 20%)**

- Has your organisation partnered with another organisation and/or Government agency in the past to achieve good outcomes for Aboriginal people?
- If your organisation has not partnered with another organisation and/or Government agency - how would partnering assist your community?

- What other Government or non-government agency do you intent to partner with for this program?

Tell us more:

*Answer 2: (Insert your response here)*

**3. What is your service delivery capability and experience? (This question is weighted 10%)**

- Can your organisation provide cultural service delivery for your local area?
- Does your organisation currently have the means to provide this service delivery? (resources) If not, what is required?
- What experience does your organisation have in service delivery within your community?

Tell us more:

*Answer 3: (Insert your response here)*

**4. What does success for your initiative look like and how will you measure it? e.g., data collection for reporting purposes (This question is weighted 10%)**

- How will you show benefits or success of the initiative be shown and measured?
- Which kind of reporting will you conduct? like positive news reports, number of clients assisted with program etc.

Tell us more:

Answer 4: (Insert your response here)

**5. What is your planned budget for the initiative? (This question is weighted 15%)**

- Please outline a brief costing and timeline of your initiative
- Is the initiative sustainable? Please outline how the initiative will continue after funding has been issued ( year one up to \$250K, year 2 & 3 \$150k

Tell us more:

Answer 5: (Insert your response here)

**6. List any potential risk with your initiative and strategies your organisation would use to mitigate them: (This question is weighted 15%)**

- Can your organisation address potential risks that may arise

Tell us more:

Answer 6: (Insert your response here)

--

**7. What is your Organisational and Community Governance structure? (This question is weighted 10%)**

- Outline your leadership structure including key personnel – who would be the lead for the project
- List your key organisational and community decision making bodies (e.g.: board, Local Decision-Making groups etc.) in your area?
- Do you receive any government funding? Please briefly outline

Tell us more:

*Answer 7: (Insert your response here)*
